Basic X-Ray Techniques Workshop

Spring 2017 Workshop
March 10-11-12-13 & 24-25-26-27

Class will be held at RiverStone Health
123 So. 27th Street | Billings, MT 59101

This seminar is designed for those persons preparing to take the state of Montana X-ray Limited Permit Exam AND Meets the education requirements of the North Dakota Radiologic Health Rules 33-10-06-03 for Limited X-ray Operators

Classroom Portion
The classroom portion will be held on March 10-13 and continue March 24-27 in the Lil Anderson Center at RiverStone Health, 123 So. 27th St. Billings, MT 59101. Class will be held each day from 8am-6pm. You will have one hour for lunch.

Correspondence Portion
Materials will be made available at www.dropbox.com. Once registration is complete, instructions will be sent to you via email on how to access ALL materials for the course. This will include study materials, handouts, and at home knowledge assessments. The knowledge assessments must be completed and graded before attending the classroom portion.
Before the workshop begins ALL participants must complete the following:

**Part 1 Correspondence:** Before attending the workshop participants are required to complete a series of at home tests (knowledge assessments) and hand in for grading PRIOR to the classroom portion of the workshop. Participants must receive 75% or better on all sections, you will be required to make corrections if you do not.

**Imaging Equipment Correspondence:** Participants must tour a radiology department and get a document signed off by the department supervisor. Participants must also take a picture or draw the control panel you will be working on in your clinic or hospital, then label your picture as stated in the given directions. Hand this in with your signed tour form and series of at home knowledge assessments. If you are not currently employed by a clinic or hospital and DO NOT have access to a control panel, search for one online and follow the same instructions given.

---

**Registration Deadline: February 24th, 2017**
