

## Meet Dorothy

Thirty years ago, Dorothy was sick at home wracked by a cough and fever that left her listless. With four children under the age of 9, the idea of being too sick to care for them was unthinkable. Dorothy came to RiverStone Health Clinic for help. Although diagnosed with pneumonia, a quick recovery was important to Dorothy. Fortunately, her doctor understood her situation. On her first visit to the Clinic, Dorothy knew she had found a place she could count on for empathetic, quality medical care. She continues to return because she feels valued and heard. In Dorothy's words, "My doctor really listened to me that first day and has ever since."

Dorothy's family also benefited from the care provided at RiverStone Health. When her children were younger, they came to the Clinic for their annual well-child exams and for care when they were ill. Our Dental Clinic cares for her oral health needs. Dorothy fills her prescriptions at the RiverStone Health Pharmacy and she has been able to work with our dietitian. The convenience of having many services in one location not only saves Dorothy time but also ensures that she gets the care she needs without delay.

*Dorothy with Dr. Jedidiah Oldham*

*Dorothy is welcomed by Mercer, Patient Concierge*

“Because of RiverStone Health, my family and I have been able to get the care we need. These folks really take the time to listen. They are incredible at helping find answers and solutions.”

*Dorothy  
RiverStone Health Patient*

Never has there been a greater need for the services of RiverStone Health Clinic; demand has more than doubled in the past 15 years. We serve everyone, regardless of a patient's financial situation. Our sliding fee scale allows us to adjust charges based on family income.

The Foundation raises funds to advance the work of RiverStone Health. These funds assist RiverStone Health in providing healthcare that is not always covered by fees and reimbursements, making capital improvements, and purchasing much needed supplies and equipment.

**Supporting the work of RiverStone Health is only made possible by you, our friends and supporters. Thank you!**

# A HUGE THANK-YOU TO OUR SUPPORTERS!

In acknowledgment of the following friends for generous donations made January 1 - December 31, 2018.

# Building a Healthy Community Campaign

You helped the *Building a Healthy Community* Campaign conclude with its successful \$4,080,500 fundraising milestone! Thank you for moving forward our long-awaited goal of expansion of primary and preventive care. Your generosity and belief in our mission made our growth possible.

The new RiverStone Health Clinic boasts 48 exam rooms in 32,000 square feet; our former space contained 31 exam rooms in 17,000 square feet. Designed with capacity and patient growth in mind, the Clinic will serve our community neighbors well into the next two decades. Commemorative giving opportunities remain available within RiverStone Health Clinic. Exam rooms, and areas dedicated to behavioral health and residency education, are offered to those who wish to take their place in RiverStone Health's history.

*RiverStone Health Clinic opened its doors to the community January 2018.*

The unique display of engraved river rock in the Clinic's Atrium reflects the new interior. Future gifts will be included on the Atrium display as well as the corresponding area or room. You may pay tribute to a special family member or friend, or choose to remain anonymous, with your gift. Your lasting tribute is an investment in our community's health today, for tomorrow's benefit.

**Our new RiverStone Health Clinic in the Ballard Center is always open to our friends as well as our current and future patients. For your tour, call Kristie Asay.**

*We will be forever grateful to Dr. Bill and Marilyn Ballard. Their commitment to delivering healthcare to this community made the new RiverStone Health Clinic in the Ballard Center a reality.*

**Kristie Asay, CFRE**

# Thank You!

## Annual Campaign

The **collective gifts of \$76,000** are helping **thousands** of our community's most vulnerable neighbors. Your donations augment care for RiverStone Health's patients and help the lives of those facing an urgent need, a devastating disease, or seeking to improve their quality of life.

*Advancing  
the work of  
RiverStone Health*

Thrivent Financial members with **Choice Dollars** available have until March 31, 2019 to direct a gift in support of RiverStone Health Foundation. Go to [Thrivent.com/ThriventChoice](http://Thrivent.com/ThriventChoice) to learn more or call 800-847-4836 and say Thrivent Choice after the prompt.

**THRIVENT  
FINANCIAL®**

Be Wise With Money™

## We Need You!

According to a recent Florida State University study, volunteering has the same positive influence on health as exercise and not smoking! These volunteer opportunities exist at RiverStone Health:

**Events:** Helping to plan and host Pink Ribbon Bingo, Hospice Golf Tournament and 5K Scrub Run

**Hospice Support:** Playing cards and games with patients, sitting with patients while caregivers run errands, hospitality and baking at RiverStone Health Hospice Home

**Emergency Drills:** Exercises to prepare Yellowstone County in the event of a widespread public health emergency, including dispensing simulated medicines, checking forms, and monitoring inventory

**Mailings/Office Work:** Either on a recurrent or occasional basis

If needed, free training is provided. Please contact Kristie Asay at [Kristie.Asa@RiverStoneHealth.org](mailto:Kristie.Asa@RiverStoneHealth.org) or call 406.651.6510 if you would like to volunteer.

**Thank you for your interest.**
