

# Restaurants Reopening Dine-in Services as of 5-4-2020

As of the morning of May 4, 2020, of the approximately 519 restaurants and food establishments in Yellowstone County that provide dine-in services, about 85 percent have submitted plans and been approved to reopen. Sixteen restaurants have postponed dine-in services. The remainder of the dine-in establishments haven't yet submitted plans or are waiting for their plan to be reviewed and approved.

**This is only a list. In no way should this list be mistaken for an endorsement of the establishment. For restaurant inspection reports, go to:**
