

“Complete Spine Anatomy & Positioning”

Saturday, October 24, 2020 | 8:30a-3:30p

Continuing Education for Limited Permit Holders

RiverStone Health – Lil Anderson Center

123 South 27th Street Billings, MT 59101

Melanie Schmidt, BA, R.T. (R)

Melanie has a Bachelor's of Applied Science Degree in Health Care Administration and an Associates of Applied Science degree in Radiology Technology from MSU-Billings and her AAS degree in Veterinary Technology from National American University in Rapid City SD. She currently works for Billings Clinic as a Radiology Technologist and as the clinical coordinator for the Radiology Technology program at MSU-B City College.

Jenna Andujar, BAS, R.T. (R)

Jenna was born and raised in Montana. In 2007, she graduated in Radiologic Technology from MSU-B/College of Technology. Jenna has worked in Diagnostic X-ray/DXA for 13 years. In 2015, Jenna became the Clinical Coordinator for the MSU-B City College Radiology program. Over the past three years, Jenna has obtained some Ultrasound training from The Gulf Coast Ultrasound Institute. Jenna currently teaches Radiology Courses/Lab and on-line didactic Ultrasound courses. She has taught X-ray positioning for the Limited Scope Radiology Workshops, offered by RiverStone Health, since 2016.
