

“Upper Extremity Anatomy & Positioning”

Saturday, April 17, 2021 | 8:30a-3:30p

Continuing Education for Limited Permit Holders

RiverStone Health – Lil Anderson Center

123 South 27th Street Billings, MT 59101

Melanie Schmidt, BA, R.T. (R)

Melanie has a Bachelor’s of Applied Science Degree in Health Care Administration and an Associates of Applied Science degree in Radiology Technology from MSU-Billings and her AAS degree in Veterinary Technology from National American University in Rapid City SD. She currently works for Billings Clinic as a Radiology Technologist and as the clinical coordinator for the Radiology Technology program at MSU-B City College.

Jenna Andujar, BAS, R.T. (R)

Jenna was born and raised in Montana. In 2007, she graduated in Radiologic Technology from MSU-B/College of Technology. Jenna has worked in Diagnostic X-ray/DXA for 13 years. In 2015, Jenna became the Clinical Coordinator for the MSU-B City College Radiology program. Over the past three years, Jenna has obtained some Ultrasound training from The Gulf Coast Ultrasound Institute. Jenna currently teaches Radiology Courses/Lab and on-line didactic Ultrasound courses. She has taught X-ray positioning for the Limited Scope Radiology Workshops, offered by RiverStone Health, since 2016.

8:30am – Introduction & Attendance

8:30-11:30 – Upper Extremity

11:30-12:30 – Lunch (on your own)

12:30-3:30 – Humerus and Shoulder Girdle

3:30 – Conclusion (Evaluation & Adjourn)

Limited Permit Holders seeking CEU’s & persons who wish to expand their knowledge in the area of Radiography.

6.0 Continuing Education credits have been approved for Montana & Wyoming.

FEES: \$120 per person. This includes all workshop materials provided by the instructors. You will receive one hour for lunch on your own. **Late Registration Fee (After April 12) Add \$20.** A full refund or credit transfer will be made if the program is not held. The sponsor reserves the right to cancel the program if it becomes necessary.

This workshop will be held **both In Person and Online (Zoom)** to accommodate for the COVID-19 restrictions.

IN PERSON class will be limited to 20 people

First come first serve basis – I must receive completed registration form in order to reserve a spot. Email, fax or mail in registration.

Things to know before registering for ONLINE: In order to attend via Zoom, you must have a laptop/tablet with a secure internet connection and audio capabilities. A webcam is NOT required to attend, but highly recommended.
