

RiverStone Health Connections

Connecting you to a better life®

April is National Volunteer Month. We want to recognize all the work being done in our community. Our community is the center of everything we do at RiverStone Health.

To grow this connection, take a moment to explore the invaluable services we offer and the incredible work of our community partners.

Together, we are shaping a community that cares, supports and uplifts each other. Thank you for being a crucial part of this journey.

RiverStone Health Service Spotlight

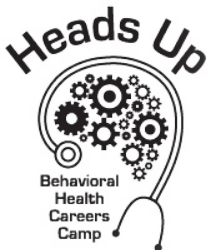

We serve Big Horn, Carbon, Fergus, Golden Valley, Musselshell, Petroleum, Rosebud, Stillwater, Sweet Grass, Treasure, Wheatland and Yellowstone counties.

We are so proud to house the Eastern Montana AHEC team at RiverStone Health.

Expanded to the Billings office in 2007, Eastern Montana AHEC serves approximately 850 students a year with clinical rotations, shadowing hours, community training and outreach opportunities.

Eastern Montana AHEC is the Billings WWAMI (Washington, Wyoming, Alaska, Montana and Idaho) Track office (University of Washington School of Medicine). AHEC is also Montana's AETC (AIDS Education and Training Center).

Heads Up introduces Montana high school students to behavioral health professional pathways and helps them become champions for their community.

This camp is August 4-7 and free. Applications are due May 17.

Management of Aggressive Behaviors (MOAB) is a de-escalation skills training for recognizing, reducing and managing aggressive behavior. The program provides human and compassionate methods of dealing with emotionally heightened and potentially aggressive people. The training takes 4 hours to complete, and is skills-based, so participants will be engaging in scenarios and hands-on activities.

Positive Approach to Care Workshop is for family members and professionals to learn the basics of dementia and dementia care.

This full-day training provides attendees with the skills and abilities they need to assist those living with dementia.

Partner Spotlight: Education Foundation

The **Education Foundation** for Billings Public Schools provides direct support to students, classrooms and teachers in School District 2. Working in collaboration with SD2, the foundation functions independently as a 501(c)(3).

For more information about the Foundation or how you can get involved, please contact Shelley Pierce at 406.281.5148 or pierces@billingschools.org.

[Learn more](#)

Here's a snapshot of the foundation's impact:

- More than 1,000 students *each week* benefit from food insecurity programs including the Backpack meals and pantries.
- More than 5,000 books distributed annually through the Reading Rocks initiative.
- Classroom grants totaling \$128,000 awarded to support teachers and classrooms.
- This spring, 32 scholarships will be granted to students and educators.

The **Education Foundation** is thrilled to announce the launch of a mobile food program this summer. This initiative aims to serve food-insecure children in our community who may not have access to other nutrition programs.

At RiverStone Health you are at the center of everything we do with a focus on improving life, health and safety of our community. Serving the Yellowstone County community and south-central Montana for nearly 50 years, we are an essential provider of personal and public health services. Health, Education, Leadership and Protection – HELP is what we do.

From medical, dental and behavioral health; home care and hospice; public health services like immunizations, WIC, health promotion and restaurant inspections; and educating the next generation of health professionals, our expertise spans all ages and stages of life.

If you would like to be a future partner spotlight, or learn more about RiverStone Health's work in the community please reach out to our Communications team at Communications@RiverStoneHealth.org or 406.247.3387.
