

Welcome to RiverStone Health Connections

Love is in the air, and what better way to celebrate than by coming together as a community?

In the spirit of love, take a moment to explore the invaluable services offered by RiverStone Health and the incredible work of our community partners.

Together, we are shaping a community that cares, supports and uplifts each other. Thank you for being a crucial part of this journey.

RiverStone Health Service Spotlight

RiverStone Health welcomes all children and turns no one away because of inability to pay. We accept Medicaid, Medicare, Healthy Montana Kids and private insurance. We also offer a sliding fee scale.

We care for children of all ages with a variety of services. Our nurses, doctors and other healthcare professionals provide assessment and treatment for routine and special childhood needs.

Prenatal & Newborn Care
Our physicians help you have a healthy pregnancy. They also provide hospital care for delivery and the post-partum period and your baby's first doctor visits at our primary care clinics in Billings, Bridger, Joliet or Worden.

Pediatric Primary Care
We provide comprehensive care for children from birth through teens, including illnesses, chronic disease management, injuries, wellness checkups, sports physicals and immunizations.

Complex Pediatric Care
We meet the needs of children who may have developmental delays or behavioral concerns, including specialized care for children in foster care.

Complex Pediatric Care
We meet the needs of children who may have developmental delays or behavioral concerns, including specialized care for children in foster care.

At RiverStone Health you are at the center of everything we do with a focus on improving life, health and safety of our community. Serving the Yellowstone County community and south-central Montana for nearly 50 years, we are an essential provider of personal and public health services. Health, Education, Leadership and Protection – HELP is what we do.

From medical, dental and behavioral health; home care and hospice; public health services like immunizations, WIC, health promotion and restaurant inspections; and educating the next generation of health professionals, our expertise spans all ages and stages of life.

If you would like to be a future partner spotlight, or learn more about RiverStone Health's work in the community please reach out to our Communications team at communications@riverstonehealth.org or 406.247.3387.
