

RiverStone Health Connections

Connecting you to a better life®

Welcome to the heart of summer! Whether you're planning a vacation, attending outdoor events, or simply soaking up the sun at home, we are delighted to create a collaborative space to support the well-being of our community.

In honor of this collaboration, take a moment to explore the services we offer and the incredible work of our community partners.

Together, we are shaping a community that cares, supports and uplifts each other. Thank you for being a crucial part of this journey.

RiverStone Health Service Spotlight

In order to gauge community attitude toward making Billings city parks tobacco-free, we are conducting a survey. If you are interested in taking this anonymous 1-minute survey, click the button below.

RiverStone Health provides tobacco prevention and education for Yellowstone County. Our program influences decision makers and the community to be informed about the dangers of tobacco and nicotine products. Our services include:

- Educating care providers, schools, and youth about the state quit line resources
- Engaging youth in promoting tobacco-free lifestyles
- Taking down corporate tobacco through reACT coalitions in all School District 2 middle schools, Shepherd and St. Francis.

Contact RiverStone Health Tobacco Prevention at 406.247.3305 or PublicHealth@RiverStoneHealth.org.

Free Breakfast & Health Fair

Please join us on August 8 to provide healthcare services and community resources to those in Yellowstone County living unhoused.

Please RSVP by the end of the day July 29 to Communications@RiverStoneHealth.org & notify our team if you need a table and chairs for this event.

New WIC income guidelines have arrived, don't forget to check them out!

Partner Spotlight: LIFTT

As a Center for Independent Living (CIL) serving Southeastern Montana, LIFTT is dedicated to empowering individuals with disabilities to live independently through education, support, and opportunities. Our mission aligns with the core principles of the ADA, striving to break down barriers and create a more inclusive community for all. LIFTT's services include independent living skills training, advocacy, peer support, and community health work to promote overall well-being.

The ADA's impact over the past 34 years is a testament to the power of advocacy and legislation in creating lasting change.

At LIFTT, they remain committed to advancing these ideals, continuing our work to ensure that everyone, regardless of ability, can live independently and with dignity.

LIFTT invites the public to join them in celebrating this milestone on July 26, 2024, at 1241 Crawford Drive, Billings, MT from 11 AM to 4 PM. This event will include educational workshops, community discussions and a special focus on transportation solutions that enhance mobility and access for all.

For more information about LIFTT click the button below or call 406.259.5181

At RiverStone Health, you are at the center of everything we do with a focus on improving life, health and safety of our community. Serving the Yellowstone County community and south-central Montana for nearly 50 years, we are an essential provider of personal and public health services. Health, Education, Leadership and Protection – HELP is what we do.

We offer medical, dental and behavioral health; home care and hospice; public health services like immunizations, WIC, health promotion and restaurant inspections; and educate the next generation of health professionals. Our expertise spans all ages and stages of life.

If you would like to be a future partner spotlight, or learn more about RiverStone Health's work in the community please reach out to our Communications team at Communications@RiverStoneHealth.org or 406.247.3387.
