

RiverStone Health Connections

The crisp air and vibrant colors of fall are settling in, it's a season of change and new beginnings. As we transition into this new season, let's embrace the collaborative space to support the well-being of our community.

In honor of this collaboration, take a moment to explore the services we offer and the incredible work of our community partners.

Together, we are shaping a community that cares, supports and uplifts each other. Thank you for being a crucial part of this journey.

Partner Spotlight: HRDC

An estimated 45,000 Montana families lack secure employment and are facing a housing cost burden. Many community members are spending over 30% of their income for a roof over their head. The 2023 Point in Time Count found that there are approximately 5,000 unhoused Montanans with limited options for stable housing.

HRDC envisions a world where families and individuals don't have to choose between heating their homes and buying groceries. Where jobs pay a livable wage and homes are affordable. Where children receive early learning resources that promote healthy development and all community members are provided equal opportunity to achieve their full human potential.

HRDC, located in Billings, Montana, serves Big Horn, Carbon, Stillwater, Sweet Grass and Yellowstone counties.

Our programming and supportive services encourage self-sufficiency and community collaboration for the betterment of Montana's most disadvantaged. HRDC provides services in:

- Education
- Emergency Services
- Employment & Training
- Energy Assistance
- Food
- Housing
- Youth Services
- Transportation
