

# "Elevating X-Ray Skills: Abdomen, Hip, and Pelvic Imaging" and "X-Ray Insights: Navigating Skeletal Trauma Imaging Challenges"

Saturday, May 17<sup>th</sup>, 2025 | 8:30a-3:30p

Continuing Education for Limited Permit Holders

RiverStone Health – Lil Anderson Center

123 South 27<sup>th</sup> Street Billings, MT 59101

## Jenna Jones, MHA, R.T. (R), ARRT

Jenna was in the second graduating class of Radiologic Technology from MSU-B/College of Technology in 2007. Jenna has worked in Diagnostic X-ray/DXA for the past 15 years and was asked to become the Lab Instructor for the same program in 2012. She was promoted to Clinical Coordinator in 2015, and has obtained some Ultrasound training (Abd/Small Parts/Emergent/Echo/MSK) from The Gulf Coast Ultrasound Institute. Jenna currently teaches Radiology Courses/Lab and on-line didactic Ultrasound courses, full-time at MSU-B/City College. In 2018, Jenna graduated with a BAS in Health Administration and in 2021 graduated with her Masters in Health Administration. She has taught X-ray positioning for the Limited Scope Radiology Workshops, offered through RiverStone Health, since 2016.

### 08:30 – 08:45: Registration and Welcome

- Sign-in, light refreshments, and overview of the day's sessions

### 08:45 – 12:00: Session 1 - *Elevating X-Ray Skills: Abdomen, Hip, and Pelvic Imaging*

- Anatomy review for abdomen, hip, and pelvis and positioning techniques for accurate imaging; Technical considerations for pediatric, geriatric, and bariatric patients
- Pathology and common conditions affecting abdominal, hip, and pelvic regions
- Critical thinking: Identifying key diagnostic indicators
- Quiz Questions

### 12:00 – 01:00: Lunch Break

### 01:00 – 03:15: Session 2 - *X-Ray Insights: Navigating Skeletal Trauma Imaging Challenges*

- Fracture types and imaging strategies; Positioning techniques for skeletal trauma cases; Pathology and diagnostic techniques for skeletal trauma
- Critical thinking: Group analysis of real-world case studies/exams, and quiz questions.

### 03:15 – 03:30: Wrap-Up and Closing Remarks

- Open Q&A session for discussion and clarification

Limited Permit Holders seeking CEU's & persons who wish to expand their knowledge in the area of Radiography. **6.75 Continuing Education credits have been approved for Montana, Wyoming and ASRT.**

**FEES: \$140 per person.** This includes all workshop materials provided by the instructors. You will receive one hour for lunch on your own. **Late Registration Fee (After May 12) Add \$20.** A full refund or credit transfer will be made if the program is not held. The sponsor reserves the right to cancel the program if it becomes necessary.
