

Unlicensed and Uninspected Businesses

RiverStone Health is responsible for inspecting certain types of public facilities that are licensed by the State Montana or permitted locally.

These inspections protect the public's health by ensuring that basic health and safety requirements are met.

During an inspection RiverStone Health inspectors identify health and safety risks and help operators to meet applicable rules and regulations.

RiverStone Health works with operators to become licensed or permitted when required by law.

As of May 2024, the facilities/individuals listed below did not have a current license as required by law and are, therefore, not inspected:

Misty Deleon - body artist

Seth White - body artist

Jacob Livingstone - body artist

Parker Entze - body artist

Ryan Jones - body artist

Ashley Marie Sjolseth - body artist

Cole Chavez - body artist

Twin Needles Tattoo Studio - body art establishment
